E&E WINS THE SME500 SINGAPORE AWARDS 2020 *(Singapore's Top 500 SMEs)*

11th NOV 2020

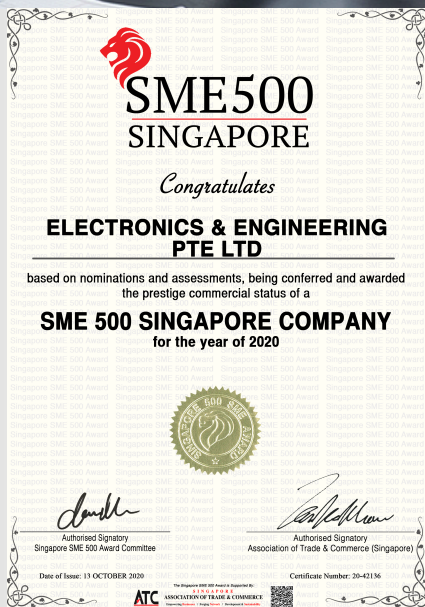

SINGAPORE - 11th November 2020 – Electronics & Engineering Pte Ltd (E&E) is pleased to announce that we have been awarded the SME 500 Singapore for the year 2020 in recognition of Singapore's Top 500 SMEs.

Launched to recognise Singapore's leading Small-Medium Enterprises across major trade and industries that have contributed significantly to Singapore's GDP, this award recognizes only the most enterprising and privately held companies that have made significant contributions and businesses that strive for continuous improvements to achieve on a year-to-year basis, spearheading each business's appetite for growth and success.

Managing Director, Mr. Ronald Goh has been the driving force behind this successful organisation, striving to offer our best services and expertise in our line of work by providing the best working solutions possible to our Customers and getting it right the first time to the complete satisfaction of our Customers.

Mr. Goh attributes a large part of the company's success to its employees, and he continues to personally lead this business and constantly looks after their welfare to foster a strong sense of loyalty, ownership and pride in their work.

E&E would like to thank our customers for their support to our business. We would also like to thank our staff for their diligence and commitment without which it would not be possible to be a recipient of this award.
